If your student has an **Individual Education Plan (IEP)**, or receives support from an **Education Assistant** in class, please contact your school principal or Michelle Reilly, Coordinator of Alternative Education ([michelle\\_reilly@sd33.bc.ca](mailto:michelle_reilly@sd33.bc.ca)) or 604-997-4147 prior to registration, to discuss any specific concerns.

# ELEMENTARY SUMMER LEARNING 2023

**Dates:** Tuesday July 4, 2023 – Friday July 14, 2023

**Time:** 8:15am – 12:45pm (*unless otherwise specified*)

**Location:** All courses will be held at the Chilliwack Secondary School Campus, 46363 Yale Road, Chilliwack (*unless otherwise specified*).

Course	Grade	Description
<b>Be Fit with Lit</b>	2 – 3 & 4 - 5	Maintain and improve your child's reading and writing level through the summer months and keep them active too! This program is designed to improve students' abilities, create a love of books and words, and get some exercise! Students should wear proper running shoes.
<b>Coding for Kids</b>	4 – 5	This course will develop and apply your child's coding and computational thinking skills while staying active at the same time. This course will teach your child the Scratch programming language and how to apply it in a variety of situations (animation, game design and real-world application). Collaboration with peers is built into the course as a fundamental part of the coding process. Physical activities will be part of each school day.
<b>Digital Literacy</b>	4 – 5	This course has been designed for students to utilize informational technologies at home and in the school system, in a safe and responsible manner. Students will learn to use technology to access, analyze, evaluate, and communicate information.
<b>English Language Learning (ELL)</b>	1 - 3	This course will provide English Language Learners the opportunity to continue building English Language proficiency in all the language domains of speaking, listening, reading and writing. The course will use a balanced literacy approach to focus on building tier 2 vocabulary, academic conversation skills, comprehension and fluency skills and working toward grade level reading and writing skills.  <b>Skills - Prediction activities, retelling, sequencing, writing from a picture, 3-day sequence built around a story put into one day</b>

Course	Grade	Description
English Language Learning (ELL)	4 – 5	<p>This course will provide English Language Learners the opportunity to continue building English Language proficiency in all the language domains of speaking, listening, reading, and writing. The course will use a balanced literacy approach to focus on building tier 2 vocabulary, academic conversation skills as well as providing structured time to build reading and writing skills.</p> <p><b>Skills – summarizing (SWBST), questioning, visualizing, inferring, connecting, lit circle discussions and ideagram built around a common essential question with leveled text.</b></p>
Indigenous Summer Learning Program	1 – 5	<p><b>Open to all Indigenous students in grades 1 – 5 (First Nations Status, Non-Status, Metis, Inuit)</b></p> <p>This program will strengthen your child’s Literacy and Numeracy skills and foster their love of learning with engaging classroom activities. This course will support your child’s social emotional development and improve school-based skills for student success. In this setting, your child will build cultural connections by exploring our community, learning outdoors, and participating in cultural activities. This is an activity-based program which provides daily activities and physical literacy education. Students should wear appropriate running shoes.</p> <p>Strengthening Literacy and Numeracy skills through place-based instruction and programming. Utilizing the First Peoples Principles of Learning, this place-based approach immerses students in local culture, landscapes and experiences that will provide an engaging experience to enhance literacy and numeracy skills.</p> <p><b>TIME: TBD</b></p> <p><b>LOCATION:</b></p> <ul style="list-style-type: none"> <li>• <b>North Side Cohort: TBA for Community</b></li> <li>• <b>South Side Cohort: TBA for Community</b></li> </ul>
Math on the Move	2 – 3 & 4 - 5	<p>Strengthen your child’s basic math and problem-solving skills to help prepare for the next grade. These classes are engaging and include physical activity to make math fun. Students should wear proper running shoes.</p>
Reading Rangers	2 - 3	<p>Reading Rangers will provide students with the early reading skills to learn and incorporate strategies. Physical activity will be a daily part of this course. Only students recommended by their School Based Team will be accepted. Two cohorts will be offered:</p> <p>Cohort 1: PM Benchmark of 16 or lower</p> <p>Cohort 2: PM Benchmark of 16 or higher</p>

Course	Grade	Description
<b>The 3 R's on the Move (Reading/Writing/ Math &amp; Movement)</b>	1	This course has been designed to meet the specific needs of students entering Grade 1. Focus is on developing foundation skills in Mathematics and Literacy, with some physical activity too! Students should wear proper running shoes.
<b>The 3 R's on the Move (Reading/Writing/ Math &amp; Movement)</b>	2	This course has been designed to meet the specific needs of students entering Grade 2. Focus is on developing foundation skills in Mathematics and Literacy, with some physical activity too! Students should wear proper running shoes.
